SUSTAINABILTY POLICY

POLICY STATEMENT

Safehigher Safety Systems Ltd are committed to sustainable practices whereby we endeavour to meet our customers and clients requirements without compromising the ability of future generations to meet their own needs. This is a guiding principle within our work. Concern for the environment is an integral and fundamental part of this commitment. Our aim is to reduce the impact on the environment from our operations.

Our environmental/sustainability action plan:

- Carry out our operations ethically while meeting our legal and contractual obligations.
- Improve resource efficiency, sustainable consumption, and production, throughout the whole supply chain from design through to operation.
- Encourage ideas and innovation internally and with our supply chain to promotes sustainability with benefits to society and environment.
- Actively promote sustainability in our industry through industry associations, partnerships and organisations we support.
- Promote sector-leading Health, Safety, Environmental and Quality performance from our employees, subcontractors and suppliers.
- Integrate our sustainability goals throughout our operations.
- Commit to measuring our impact through Health, Safety, Environmental and Quality performance data, employee engagement surveys, customer satisfaction feedback.

This policy will be reviewed annually.
