Temporary Scaffolds (Tube & Fittings) – Modular Scaffolds and Light Aluminium (BOSS) Modular Towers

POLICY STATEMENT:

Safehigher Safety Systems Ltd has adopted and implemented the following policy and procedures regarding the use (by Safehighers employees) of Temporary Scaffolds (Tube & Fittings), Modular Scaffolds and Light Aluminium (BOSS) Access Towers. As follows;

Our Company's (Safehigher Safety Systems Ltd) employees **WILL NOT**, on any occasion (without exception) erect, install, adapt and/or modify, Temporary Scaffolds (Tube & Fittings), Modular Scaffolds and/or Light Aluminium (BOSS) Access Towers. On each and every occasion when our employees are required to gain access to/on and/or work from/on any of the aforementioned access scaffolds (to which this policy specifically applies)

Our Company WILL on each and every occasion engage the services of duly qualified specialist providers to supply, erect, install, dismantle and remove from site after our use, Temporary Scaffolds (Tube & Fittings), Modular Scaffolds and Light Aluminium (BOSS) Access Towers.

Our Company will ensure that any of our employees who are required to use any of the aforementioned access scaffolds (to which this policy specifically applies) will attend a Toolbox Talk on the use of Temporary Scaffolds (Tube & Fittings), Modular Scaffolds and Light Aluminium (BOSS) Access Towers.

This policy has been ratified by the Board of Directors and will be reviewed annually.
