The selection, management and use of Mobile Elevating Work Platforms (MEWPs) and Heavy Plant

POLICY STATEMENT:

Safehigher Safety Systems Ltd has adopted and implemented the following policy and procedures regarding the selection, management and use of Mobile Elevating Work Platforms (MEWPs) and Heavy Plant. As follows;

- 1.) Safehigher Safety Systems Ltd **DOES NOT OWN any MEWP's and/or any other Heavy Mechanical Plant.**
- 2.) It is the Policy of Safehigher Safety Systems Ltd to (whenever possible) 'contract out' (opt out) of providing MEWP's and/or Heavy Plant which our Company may require in order to carry out its activities. We will on each and every occasion request our employer to make any such provision as required.
- 3.) On those occasions when our Employer is unable/unwilling to and/or requests that our Company makes provision for a MEWP, Heavy Plant, etc, Safehigher Safety Systems Ltd will meet any/all such requirements by '**hiring in**' from specialist providers as required.
- 4.) On each and every occasion when Safehigher Safety Systems Ltd requires a MEWP and/or any other Heavy Plant strict emphasis will be placed on the specialist provider to adhere to ALL applicable statute and legislative requirements (PUWER 1998, LOLER 1998) as set out in HSE GEIS6 and HSE 150.
NOTE! – HSE GEIS6 and HSE 150 are intrinsic to this Policy and should be read in conjunction with this Policy.
- 5) Our Company will ensure that any of our employees who are required to use/operate a MEWP and/or any other Heavy Plant will themselves be duly qualified to do so and will themselves adhere to all statute and legislative requirements and/or considered best practice.

This policy has been ratified by the Board of Directors and will be reviewed annually.
